UC RIVERSIDE - Student Comments of Instructor, Laboratory Courses - Spring 2022

Course: ECON 101 Section: 033 - STATISTICS FOR ECONOMICS
Instructor: Da Gong

Question # 20: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- good

- Da Gong was a pretty good TA for our statistics lab. He provided detailed instructions for each lab and went through the process of creating our own code for each project. Although sometimes the labs were difficult or hard to understand, he did make a decent effort to help us out.

- Good TA

- Informative lab
